Mar 2022 - Oct 2022 (8 months)

Startade och byggde tillsammans upp med en partner upp den 3dje bästa företaget inom E-handel av 219 företag i kategorin på trustpilot med tusentals nöjda kunder. Där vi byggt ett företag på endast 6 månader. Jobb områden inkluderar marknadsföring, utveckling av sidan, kundsupport, bokföring and backend development. Utveckling av många teknologier och verktyg som vi använde oss av hade vi utvecklat i linkande projekt ca 1 år innan den officiella lanseringen av passtider-snabbt.se

Founded and built up together with one partner Sweden's 3 best ecommerce store according to trustpilot of 219 competing ecommerce stores on trustpilot in only 6 months with thousands of happy customers. Areas i worked in include Marketing, development of website, accounting, customer support and backend development. Development of many of our technologies, techniques and tools that we used had been developed in similar projects about 1 year before the official launch of passtiders-snabbt.se
